

World Population Day 2022: Date, Theme, History and Significance

WORLD POPULATION DAY 2022: World Population Day is observed every year on July 11 to raise awareness about global population issues. Overpopulation is a critical concern as the world's resources are being used up at an unsustainable rate. Besides, the need to guarantee that women have access to family planning, gender equality, and maternal health care is more important than ever because of the expanding population's impact on maternal health and family planning issues.
