

ICJ To Judge Malaysia Over COVID-19 Vaccine Injury Cases?!

People are sharing a video and a message on WhatsApp, claiming that the International Court of Justice – ICJ – will soon judge Malaysia over side effects caused by the COVID-19 vaccine!

They also claim that both the Health Minister, Khairy Jamaluddin, and the Director-General of Health, Noor Hisham Abdullah, could stand before the ICJ and the International Criminal Court (ICC) for crimes against the people.

The post is very long, so feel free to skip to the next section for the facts...

[Khairy and Noor Hisham will face the International Court of Justice]

Malaysia will be the first country in the office world to immediately refer AEFI cases or deaths due to Covid-19 vaccines to civil, criminal and judicial courts...

Khairy Jamaluddin, Noor Hisham and others may be brought to the International Court of Justice and the International Criminal Court in the Netherlands and the High Court of Malaysia for crimes against humanity...

The gentlemen of Mohamad Zainuddin & Co held a press conference announcing that they had successfully obtained the COVID-19 Special Adjudication Tribunal's "ex parte adjudication" order on a "toxic experimental premature vaccine" issued by a Malaysian court in arbitration.

Courts of Arbitration are internationally recognized organizations such as the Permanent Court of Arbitration in The Hague, Netherlands, or PCA for short.

The Permanent Court of Arbitration is an intergovernmental organization that provides the services of international tribunals, such as the recent lawsuit brought by the Sultan of Sulu against Sabah.

The PCA is neutral and not bound by the United Nations to avoid international conflicts of interest in resolving issues of maritime borders, sovereignty, investment, and international trade and human rights...

In the two video series above, the lead lawyer and founder of the law firm from Mr Mohamad Zainuddin, claims to be the first to bring the AEFI case to the public stage...

They also claim that more than 20,000 deaths from Covid-19 were actually the result of vaccinations, not natural deaths from the pandemic virus.

Meanwhile, as many as 1 million serious injuries have been reported among vaccinators in Malaysia.

It is not impossible if the death rate in the country has risen sharply by 60.5% compared to 2017-2020, as revealed by the **Department of Statistics Malaysia** in November 2021...

Meanwhile, according to the Ministry of Health, 2020 will see 113,000 Covid-19 cases, compared to 19,000 in 2021...

According to CovidNow, the period with the highest number of vaccinations was from July 2021 to October 2021, while the highest Covid-19 death toll also hit a record of more than 500 deaths per day between July 2021 and October 2021 For the record, it's no coincidence...

The AEFI case in Malaysia will be brought before the International Court of Justice and the International Court of Justice of the International Chamber of Commerce and has been submitted to the Attorney General for acceptance and judicial review in the High Court.
