

### **M'sia suffers RM6.1b losses due to floods**

The country has recorded a total of RM6.1 billion in losses due to the recent floods that hit 11 states and federal territories last month, according to the **Department of Statistics of Malaysia (DOSM)**.

Selangor, the worst-hit state suffered losses up to RM3.1 billion alone, followed by Pahang (RM593.2 million), Malacca (RM85.2 million), Negeri Sembilan (RM77.1 million) and Johor (RM50.1 million), according to DOSM.

In a newly released report, titled "Special Report on the Impact of Floods in Malaysia, 2021", chief statistician...
