MEDIA STATEMENT
FOR PERFORMANCE OF WHOLESALE & RETAIL TRADE, MALAYSIA,
MARCH 2021

***Wholesale & Retail Trade Malaysia Rebounds 9.3 Per Cent in March 2021 to
Record RM112.8 billion***

PUTRAJAYA, MAY 7, 2021 - The Department of Statistics Malaysia today released the **PERFORMANCE OF WHOLESALE & RETAIL TRADE, MARCH 2021** which presents statistics on sales value and volume index of Wholesale & Retail Trade by sub-sector.

Dato' Sri Dr. Mohd Uzir Mahidin, Chief Statistician of Malaysia in a statement today said, sales value of Wholesale & Retail Trade registered RM112.8 billion in March 2021 to record the first positive year-on-year growth in this year with 9.3 per cent. This increase was due to Motor Vehicles which surged 40.7 per cent or RM4.3 billion to RM15.0 billion. Similarly, Retail Trade expanded 10.5 per cent or RM4.3 billion to RM45.0 billion. Wholesale Trade also showed an uptick trend with an increase of RM1.0 billion or 1.8 per cent to RM52.7 billion.

Likewise, month-on-month sales value grew 4.4 per cent in March 2021, underpinned by Motor Vehicles which soared 34.6 per cent. Compared to March 2019, which was before the COVID-19 pandemic, sales of Wholesale & Retail Trade also showed a positive growth of 3.0 per cent. This was driven by the extra consumers disposable income due to withdrawal of i-Sinar, i-Lestari and the increase in commodity prices such as oil palm and rubber. Based on the LAKSANA report, a total of RM40.4 billion from the i-Sinar programme has been credited until April 15, 2021. Vehicle sales tax exemption incentives also continue to play a role in stimulating the purchase of motor vehicles.

Looking at the performance across sub-sectors, the Chief Statistician informed, “For Motor Vehicles which recorded a strong positive growth of 40.7 per cent, it was attributed to Sales of Motor Vehicles which jumped 60.4 per cent to RM8.9 billion. This was followed by Sale, Maintenance & Repair of Motorcycles with 73.6 per cent to record RM1.6 billion. Sale of Motor Vehicles Parts & Accessories also grew 7.0 per cent to RM3.0 billion followed by Maintenance & Repair of Motor Vehicles with a growth of 7.2 per cent to reach RM1.5 billion,” he explained.

Commenting further on Retail Trade sub-sector, the increase of 10.5 per cent was contributed by both sales of essential and non-essential products. Sales in non-essential products recorded the positive growth for the first time after they were hit by the impact of the pandemic since March 2020 mainly Retail Sale in Specialised Stores with double digit 13.7 per cent to RM9.1 billion. This was followed by Retail Sale of Household Goods 15.0 per cent to record RM5.8 billion and Retail Sale of Information & Communication Equipment 8.6 per cent to RM4.6 billion. Within the same period, sales of essential goods continued to post a positive growth namely Retail Sale in Non-specialised Stores which registered 7.3 per cent to RM16.1 billion year-on-year. This was followed by Retail Sale of

Food, Beverages & Tobacco which rose 7.5 per cent to RM2.8 billion. Retail Trade not in Stores, Stalls or Markets also grew 11.8 per cent to RM0.4 billion followed by Retail Sale via Stalls & Markets which increased 12.1 per cent to RM0.1 billion. Retail Sales of Automotive Fuel, which also categorized as essential goods, registered a positive growth of 17.2 per cent to RM3.7 billion after recorded a negative growth since March last year.

Dato' Sri Dr. Mohd Uzir Mahidin also informed, "For Wholesale Trade sub-sector which increased 1.8 per cent in this month, it was supported by Wholesale of Food, Beverages & Tobacco with 6.5 per cent of growth to settle at RM10.0 billion. This was followed by Wholesale of Household Goods which grew 4.5 per cent to record RM10.2 billion and Wholesale of Machinery, Equipment & Supplies of 4.9 per cent to RM4.3 billion. However, Other Specialised Wholesale recorded a fall of 2.5 per cent as well as Wholesale on a Fee or Contract Basis which contracted 2.3 per cent."

For month-on-month comparison which registered a positive growth of 4.4 per cent, it was spearheaded by Motor Vehicles which jumped 34.6 per cent or RM3.9 billion followed by Retail Trade with 1.7 per cent or RM0.7 billion. Wholesale Trade also rose marginally with 0.3 per cent growth or RM0.2 billion within the same period.

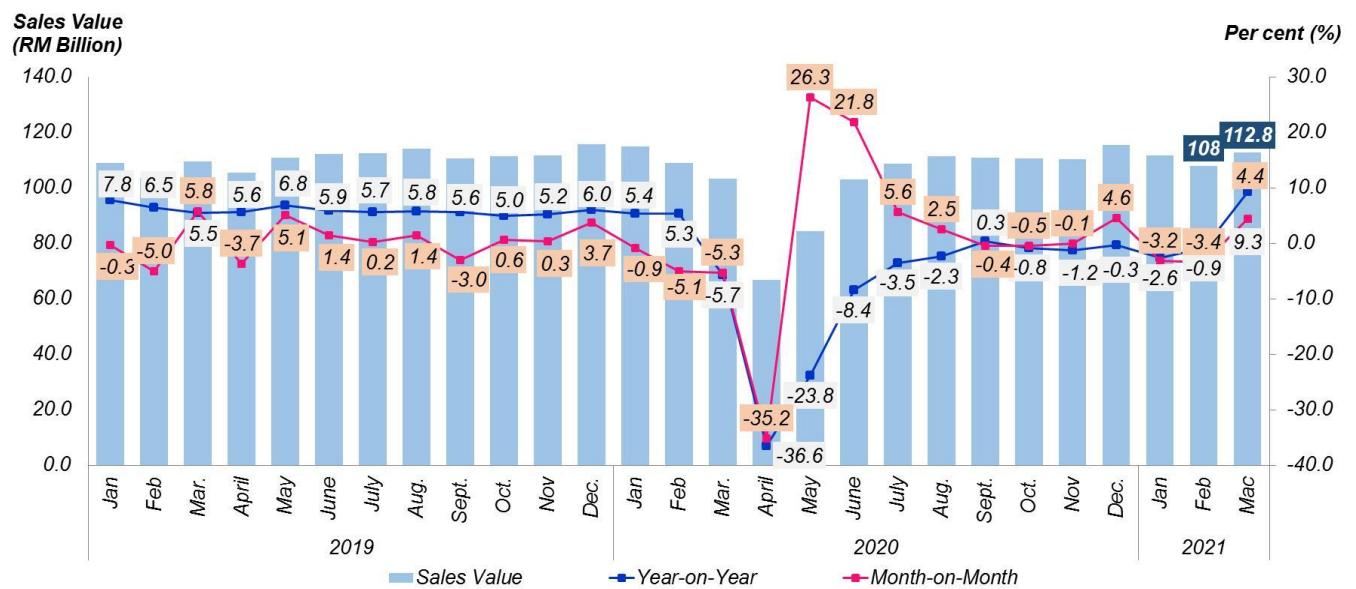

Dato' Sri Dr. Mohd Uzir Mahidin also went on to note that,"Online retail sales index, which portrays e-commerce activity continued to surged to record 18.3 per cent growth year-on-year. As for seasonally adjusted retail sales index, it increased 0.1 per cent as against the previous month."

In terms of volume index, Wholesale & Retail Trade registered a year-on-year growth of 9.1 per cent. The Chief Statistician went on to note that the expansion was supported by Motor Vehicles which increased 38.0 per cent. This was followed by Retail Trade and Wholesale Trade with 9.6 per cent and 2.3 per cent

respectively. As for seasonal adjusted volume index, it fell 1.6 per cent month-on-month.
