Global Goals Week 2022

Global Goals Week 2022 aims to mobilize communities, demand urgency, and supercharge solutions for the SDGs. It is an annual week of action, awareness, and accountability for the SDGs, with partners across civil society, business, academia, and the UN system coming together to accelerate action on the SDGs. It is also an opportunity to speak out as one voice and share ideas and transformative solutions in the fight to recover better from global challenges.

Transforming Education Summit

The Transforming Education Summit is being convened in response to a global crisis in education – one of equity and inclusion, quality and relevance. The Summit provides a unique opportunity to elevate education to the top of the global political agenda and to mobilize action, ambition, solidarity and solutions to recover pandemic-related learning losses and sow the seeds to transform education in a rapidly changing world.

Third SDG Moment of the Decade of Action

The annual SDG Moment aims to provide a snapshot of progress, highlight actions that show change is possible, and advance the transformations needed to achieve the 2030 Agenda for Sustainable Development. It was created by the political declaration adopted at the first SDG Summit in 2019, which mandated the UN Secretary-General to convene the event as part of every high-level week of the UNGA from 2020 to 2030.
