3 & 4 October 2022

Advancing implementation of the SDGs: Workshop on Voluntary Local Reviews (VLRs)

The workshop has brought together experts and representatives of local and regional governments from all regions to share experiences and lessons learned in localizing the SDGs and on how local, regional and central governments are working together to make the 2030 Agenda a reality at the local level. The event supported the capacity development of all participants through the sharing of practices on key topics including vertical coordination and cross-sectoral cooperation in the preparation of VLRs and VNRs; evidence-based approaches to developing the VLRs; and raising awareness and engaging stakeholders in the preparation of VLRs.
