**28 November – 3 December 2022**

## Guest Lecture Series (GLS) on Sustainable Development Goals (SDGs)

Institut Teknologi Sepuluh Nopember (ITS), a leading university in the field of science and technology in Indonesia, is committed to support the UN Sustainable Development Goals (SDGs). ITS support the education on SDGs through Guest Lecture Series (GLS) on Sustainable Development Goals (SDGs) program which has been a great success since its launch in 2020. SDGs Festival 2022 includes activities such as networking events, local tour, and faculty meetings which to enhance collaboration between peers from various institutions participating in the program, provide unique experiences in Surabaya and Indonesia, and to help promote the home institutions of the guest speakers to ITS students and faculty members.
