

Annuar Musa: Chicken export to be considered only if domestic supply not affected

PUTRAJAYA, Aug 17 — The approval to consign chicken will alone be advised if the calm chicken delivery is not affected, so as to ensure the amount of chicken can be controlled, answered Tan Sri Annuar Musa who is the administrator of the Task Force on Jihad Against Inflation.

At the aforementioned time, the affair involving the accouterment of subsidies to chicken farmers to accredit accepted chicken to be awash at the retail beam amount of RM9.40 per kilogramme in peninsular Malaysia, also needs to be fine-tuned, he said.

“Apart from the affair of export, we also have to accord with the affair of how continued the subsidy is to be maintained. If we aback allow consign and end subsidies, the amount of chicken will arise again.

“We have to accomplish abiding which calm delivery is not afflicted at the amount of advancing a college income margin, abnormally in Singapore which is accommodating to buy at a college price,” he informed reporters actuality today.

He answered this while asked to animadversion on a account by Deputy Minister of Domestic Trade and Consumer Affairs Datuk Rosol Wahid which the Cabinet will finalise the accommodation as to whether farmers can consign chicken or not.

Annuar who is also the abbot of communications and multimedia answered the Cabinet had discussed the permission to consign chicken for which the Department of Veterinary Services (JPV) had submitted many recommendations.

“As of today, the Cabinet has not fabricated any accommodation (permission to consign chicken). The accordant ministries and departments will chase up on abstracts preparation and so on,” he said.

Annuar answered which at the moment, the calm choose for chickens in the country is about 70 million birds per month or about 2.2 million chickens a day.

Although it is answered which the delivery currently exceeds the claim at a degree of about 3.5 million chickens, the government will alone allow consign if it does not affect calm needs.

He added which the Task Force on Jihad Against Inflation had ordered the **Department of Statistics, Malaysia (DOSM)** to conduct a abstraction to actuate the absolute charge of chicken at the acreage level. — Bernama
