IMMEDIATE RELEASE

PERFORMANCE OF WHOLESALE & RETAIL TRADE, MALAYSIA, AUGUST 2024

***Wholesale & retail trade sales reached RM149.2 billion in August 2024,
grew 4.7 per cent with online sales increased 6.5 per cent***

PUTRAJAYA, OCTOBER 11, 2024 – Malaysia's Wholesale & retail trade sector continues to demonstrate resilience with total sales in August 2024 amounting to RM149.2 billion, registering a year-on-year growth of 4.7 per cent. This is reported by Department of Statistics Malaysia (DOSM) in today's release of ***PERFORMANCE OF WHOLESALE & RETAIL TRADE, AUGUST 2024***. The report also presents statistics on sales value and volume index of Wholesale & retail trade by sub-sector as well as index of retail sales over the internet.

In a statement today, Dato' Sri Dr. Mohd Uzir Mahidin, Chief Statistician Malaysia, reported that the Wholesale & retail trade sector expanded by 4.7 per cent year-on-year. This growth was primarily driven by the Retail trade sub-sector, which increased 5.9 per cent to RM64.1 billion. The Motor vehicles sub-sector also saw notable growth, rising 4.1 per cent to RM18.9 billion, while Wholesale trade

grew by 3.7 per cent to RM66.2 billion. On a month-on-month basis, this sector recorded a 0.1 per cent increase, reflecting sustained consumer demand and stable market conditions.

Looking at the performance across sub-sectors, the Chief Statistician informed, “The Retail trade sub-sector demonstrated solid performance with total sales of RM64.1 billion, increased 5.9 per cent year-on-year and 1.0 per cent month-on-month. Retail sales in non-specialized stores led the sub-sector, contributing RM24.8 billion with a strong 7.8 per cent year-on-year rise and a 1.4 per cent month-on-month growth. Retail sales of food, beverages, & tobacco also performed well, posting RM4.1 billion in sales, marking 6.8 per cent year-on-year and a 1.3 per cent month-on-month increase. Meanwhile, Retail sales of automotive fuel sales saw steady progress, grew 5.3 per cent year-on-year and 0.6 per cent month-on-month to reach RM6.0 billion.”

Commenting further on Wholesale trade sub-sector, with a total sales value of RM66.2 billion, this sub-sector posted a healthy 3.7 per cent year-on-year growth. While there was a slight -0.5 per cent month-on-month decline, the sub-sector remains on a positive growth trajectory. Within the sub-sector, the Wholesale of agricultural raw materials & live animals contributed RM6.2 billion, with a strong year-on-year increase of 7.8 per cent despite a small month-on-month dip of -0.3 per cent. Wholesale trade of food, beverages, & tobacco reached RM13.1 billion, also experiencing healthy year-on-year growth of 7.0 per cent, though it fell -0.9 per cent month-on-month. Wholesale of household goods performed steadily with RM13.9 billion in sales, showing a year-on-year increase of 6.7 per cent and a month-on-month positive growth of 0.8 per cent.

Dato’ Sri Dr. Mohd Uzir Mahidin also informed, “The Motor vehicles sub-sector recorded total sales of RM18.9 billion, marking a 4.1 per cent year-on-year

increase, although the month-on-month performance dipped slightly by -0.6 per cent. Sales of motor vehicles, the largest group in this sub-sector, amounted to RM9.9 billion but faced a modest decline of -0.5 per cent year-on-year. In contrast, Maintenance & repair of motor vehicles surged to RM2.7 billion in sales, registering a remarkable 9.0 per cent year-on-year growth. Sales of motor vehicle parts & accessories also performed well, rose 8.6 per cent year-on-year to RM5.1 billion. Concurrently, Sales, maintenance, & repair of motorcycles experienced the most significant growth, jumped 16.2 per cent year-on-year to RM1.2 billion.”

For index of retail sale over the internet, the index grew 6.5 per cent year-on-year in August 2024 as compared to 5.7 per cent in July 2024. For seasonally adjusted value, the index rose 4.7 per cent as against the previous month.

After netting out the effect of price changes, the volume index of Wholesale & retail trade for August 2024 registered a year-on-year growth of 3.8 per cent. The expansion was contributed by Retail trade which stood at 4.0 per cent. This was followed by Wholesale trade (3.8%) and Motor vehicles (2.8%). However, for seasonally adjusted volume index, it went down -2.9 per cent month-on-month.
