"More positive impacts to the economy are foreseen with the reopening of Malaysia international borders"

MESR Volume 3/2022 focuses on the recent statistics for January 2022 and some forthcoming statistics for February 2022. In addition, a box article entitled "**Do Online Retail Sales Have an Impact on Post Courier?**" is enclosed which enlightens as to whether the rapidly growing e-commerce influences the post courier performance.

This MESR will assist users to have the latest information on the economic performance in detail.

The full publication of **MESR Volume 3/2022** can be downloaded through [eStatistik](#) portal.
