● TVET includes formal and informal learning that prepare young people with the knowledge and skills required in the world of work

● STEM jobs are occupations that require an education in science, technology, engineering or mathematics disciplines

● MyCOL is a key reference for occupations with established skill standards, facilitating policy alignment and enhancing human capital planning. The 2022/2023 edition focuses on three pilot sectors: construction, manufacturing (food processing), and aerospace.

Notes: Job positions listed under the STEM, TVET or COL category are not exclusive to one category only. It can exist in all three categories at the same time.
