

Goal 13 - Take urgent action to combat climate change and its impact

Goal/ Targets/ Indicators	Status of Indicators	UNSC 51 st sessions	Sources	
Target 13.1: Strengthen resilience and adaptive capacity to climate-related hazards and natural disasters in all countries				
13.1.1	Number of deaths, missing persons and directly affected persons attributed to disasters per 100,000 population	Available	Remain	National Disaster Management Agency, Malaysia
13.1.2	Number of countries that adopt and implement national disaster risk reduction strategies in line with the Sendai Framework for Disaster Risk Reduction 2015-2030	Available	Remain	National Disaster Management Agency, Malaysia
13.1.3	Proportion of local governments that adopt and implement local disaster risk reduction strategies in line with national disaster risk reduction strategies	Available	Remain	National Disaster Management Agency, Malaysia
Target 13.2: Integrate climate change measures into national policies, strategies and planning				
13.2.1	Number of countries with nationally determined contributions, long-term strategies, national adaptation plans, strategies as reported in adaptation communications and national communications	Partially Available, Need Further Development	Replacement	Ministry of Science, Technology and Innovation
13.2.2	Total greenhouse gas emissions per year	Available	Additional	Ministry of Environment and Water
Target 13.3: Improve education, awareness-raising and human and institutional capacity on climate change mitigation, adaptation, impact reduction and early warning				
13.3.1	Extent to which (i) global citizenship education and (ii) education for sustainable development are mainstreamed in (a) national education policies; (b) curricula; (c) teacher education; and (d) student assessment	Not Available	Remain	i. Ministry of Education Malaysia ii. Ministry of Higher Education iii. Ministry of Energy and Natural Resources
Target 13.a: Implement the commitment undertaken by developed-country parties to the United Nations Framework Convention on Climate Change to a goal of mobilizing jointly \$100 billion annually by 2020 from all sources to address the needs of developing countries in the context of meaningful mitigation actions and transparency on implementation and fully operationalize the Green Climate Fund through its capitalization as soon as possible				
13.a.1	Amounts provided and mobilized in United States dollars per year in relation to the continued existing collective mobilization goal of the \$100 billion commitment through to 2025	Not Available	Replacement	Ministry of Science, Technology and Innovation
Target 13.b: Promote mechanisms for raising capacity for effective climate change-related planning and management in least developed countries and small island developing States, including focusing on women, youth and local and marginalized communities				
13.b.1	Number of least developed countries and small island developing States with nationally determined contributions long-term strategies, national adaptation plans, strategies as reported in adaptation communications and national communications	Not Relevant	Replacement
