

Goal 3 - Ensure healthy lives and promote well-being for all at all ages

Goal/ Targets/ Indicators	Status of Indicators	UNSC 51 st sessions	Sources	
Target 3.1: By 2030, reduce the global maternal mortality ratio to less than 70 per 100,000 live births				
3.1.1	Maternal mortality ratio	Available	Remain	Vital Statistics, DOSM
3.1.2	Proportion of births attended by skilled health personnel	Available	Remain	Ministry of Health Malaysia
Target 3.2: By 2030, end preventable deaths of newborns and children under 5 years of age, with all countries aiming to reduce neonatal mortality to at least as low as 12 per 1,000 live births and under-5 mortality to at least as low as 25 per 1,000 live births				
3.2.1	Under-5 mortality rate	Available	Remain	Vital Statistics, DOSM
3.2.2	Neonatal mortality rate	Available	Remain	Vital Statistics, DOSM
Target 3.3: By 2030, end the epidemics of AIDS, tuberculosis, malaria and neglected tropical diseases and combat hepatitis, water-borne diseases and other communicable diseases				
3.3.1	Number of new HIV infections per 1,000 uninfected population, by sex, age and key populations	Available	Remain	Ministry of Health Malaysia
3.3.2	Tuberculosis incidence per 100,000 population	Available	Remain	Ministry of Health Malaysia
3.3.3	Malaria incidence per 1,000 population	Available	Remain	Ministry of Health Malaysia
3.3.4	Hepatitis B incidence per 100,000 population	Available	Remain	Ministry of Health Malaysia
Proxy: Hepatitis B notification rate per 100,000 population				
3.3.5	Number of people requiring interventions against neglected tropical diseases	Available	Remain	Ministry of Health Malaysia
Proxy: Mass Drug Administration (MDA) coverage among targeted population in filarial endemic states				
Target 3.4: By 2030, reduce by one third premature mortality from non-communicable diseases through prevention and treatment and promote mental health and well-being				
3.4.1	Mortality rate attributed to cardiovascular disease, cancer, diabetes or chronic respiratory disease	Available	Remain	Statistics Cause of Death, DOSM
3.4.2	Suicide mortality rate	Available	Remain	Statistics Cause of Death, DOSM
Target 3.5: Strengthen the prevention and treatment of substance abuse, including narcotic drug abuse and harmful use of alcohol				
3.5.1	Coverage of treatment interventions (pharmacological, psychosocial and rehabilitation and aftercare services) for substance use disorders	Available	Remain	National Anti-drugs Agency
3.5.2	Alcohol per capita consumption (aged 15 years and older) within a calendar year in litres of pure alcohol	Available	Refinement	Ministry of Health Malaysia
Proxy: Prevalence of Heavy Episodic Drinking (HED) among 18 years old and above				
Target 3.6: By 2020, halve the number of global deaths and injuries from road traffic accidents				
3.6.1	Death rate due to road traffic injuries	Available	Remain	Royal Malaysia Police
Target 3.7: By 2030, ensure universal access to sexual and reproductive health-care services, including for family planning, information and education, and the integration of reproductive health into national strategies and programmes				
3.7.1	Proportion of women of reproductive age (aged 15-49 years) who have their need for family planning satisfied with modern methods	Available	Remain	Fifth Malaysian Population and Family Survey 2014, National Population and Family Development Board
Proxy: Proportion of married women (reproductive age) using modern methods for family planning				
3.7.2	Adolescent birth rate (aged 10-14 years; aged 15-19 years) per 1,000 women in that age group	Available	Remain	Department of Statistics Malaysia
Target 3.8: Achieve universal health coverage, including financial risk protection, access to quality essential health-care services and access to safe, effective, quality and affordable essential medicines and vaccines for all				
3.8.1	Coverage of essential health services	Partially Available, Need Further Development	Refinement	Ministry of Health Malaysia
3.8.2	Proportion of population with large household expenditures on health as a share of total household expenditure or income	Available	Remain	Ministry of Health Malaysia
Target 3.9: By 2030, substantially reduce the number of deaths and illnesses from hazardous chemicals and air, water and soil pollution and contamination				
3.9.1	Mortality rate attributed to household and ambient air pollution	Not Available	Remain	i. Ministry of Health Malaysia ii. Department of Statistics
3.9.2	Mortality rate attributed to unsafe water, unsafe sanitation and lack of hygiene (exposure to unsafe Water, Sanitation and Hygiene for All (WASH) services)	Available	Remain	Ministry of Health Malaysia
Proxy: Mortality rate attributed to exposure to unsafe water, sanitation and hygiene for all (wash) services in MOH facilities				
3.9.3	Mortality rate attributed to unintentional poisoning	Available	Remain	Ministry of Health Malaysia
Proxy: Mortality rate due to accidental poisoning by and exposure to noxious substance (in MOH facilities)				
Target 3.a: Strengthen the implementation of the World Health Organization Framework Convention on Tobacco Control in all countries, as appropriate				
3.a.1	Age-standardized prevalence of current tobacco use among persons aged 15 years and older	Available	Remain	Ministry of Health Malaysia
Target 3.b: Support the research and development of vaccines and medicines for the communicable and non-communicable diseases that primarily affect developing countries, provide access to affordable essential medicines and vaccines, in accordance with the Doha Declaration on the TRIPS Agreement and Public Health, which affirms the right of developing countries to use to the full the provisions in the Agreement on Trade-Related Aspects of Intellectual Property Rights regarding flexibilities to protect public health, and, in particular, provide access to medicines for all				
3.b.1	Proportion of the target population covered by all vaccines included in their national programme	Available	Remain	Ministry of Health Malaysia
3.b.2	Total net official development assistance to medical research and basic health sectors	Not Available	Remain	i. Economic Planning Unit, Prime Minister's Department ii. Ministry of Health Malaysia

Goal 3 - Ensure healthy lives and promote well-being for all at all ages

	<i>Goal/ Targets/ Indicators</i>	<i>Status of Indicators</i>	<i>UNSC 51st sessions</i>	<i>Sources</i>
3.b.3	<i>Proportion of health facilities that have a core set of relevant essential medicines available and affordable on a sustainable basis</i>	<i>Partially Available, Need Further Development</i>	<i>Remain</i>	<i>Ministry of Health Malaysia</i>
<i>Target 3.c: Substantially increase health financing and the recruitment, development, training and retention of the health workforce in developing countries, especially in least developed countries and small island developing States</i>				
3.c.1	<i>Health worker density and distribution</i>	<i>Available</i>	<i>Remain</i>	<i>Ministry of Health Malaysia</i>
<i>Target 3.d: Strengthen the capacity of all countries, in particular developing countries, for early warning, risk reduction and management of national and global health risks</i>				
3.d.1	<i>International Health Regulations (IHR) capacity and health emergency preparedness</i>	<i>Available</i>	<i>Remain</i>	<i>Ministry of Health Malaysia</i>
3.d.2	<i>Percentage of bloodstream infections due to selected antimicrobial-resistant organisms</i>	<i>Available</i>	<i>Additional</i>	<i>Ministry of Health Malaysia</i>
